Mission: We come together, setting aside individual and organizational needs, to create and sustain an integrative and coordinated process to reduce or eliminate the negative consequences of being homeless for all Iowans.

I. Introductions: Laura Lyndsey, Rhonda (FAVA), Carrie Dunnwald (ERP), Gary Wickerling (ICA); Hope Methany (YSS); J’Nae Peterman (Waypoint), David Hicks (YSS), Marileigh Fisher (CHI), Pam Eggers (YWCA), Phoebe Trepp (Willis Dady), Julie Eberbach (ICA), Ehren Wright (ICA), Amber Lewis (IFA), Carrie Slagle (Waypoint)

II. Approval of Agenda – *Action Item*
Fisher made motion, Eggers seconded, approved

III. Aligning with the new CoC Coordinated Entry grantee-

Discussion: Most people haven’t reviewed the grant yet; details were limited-more broad strokes-not nitty gritty details; wanting to connect with homeless councils and HMIS systems, connect with ESG/SAF/SSVF programs; local people have say in how it is done on local level; ICA is sub-recipient of grant to do data entry; planning to start quite quickly (\$45,000 allocation from legislature-decided to go to CE grantee by ICH; money needs to be spent by June 2017) first steps are to hire coordinator to get started to work with local folks and start identifying regions; creating an advisory council for network; this current committee could feed into advisory council but would also like to ensure coverage over BoS and consumer representatives; ICA will be hiring staff person to do CE for HMIS

Persons interested in being part of advisory council: Rhonda, Laura (SSVF/CoC); Marileigh (CoC, PSH); J’Nae/Carrie (Waypoint); Pam Eggers (Clinton), Hope/David/Roberta (YSS); Carrie Dunnwald (ERP)

Questions raised- how will this working group be involved in ICH committee structure-would this be counted as participation for ICH? Carrie will follow up with Tim to take this question to the CoC committee; Carrie will follow up with David on how he would like to collect information about program availability across the BoS

Planning grant-will be going through IFA, applied again this year for these funds; money would support local planning groups; in exchange-local groups would have to participate in CE along with other expectations
